Your appointment is for _____ at _____

Your Genetic Counseling appointment is for _____ at _____

In order to help us serve you better, please take a moment to review the following instructions.

1. **Please complete the enclosed *Medical History Form* and come 25-30 minutes prior to your scheduled appointment as you will need to register first.**
2. **Please call the toll free number on the back of your insurance card to verify the Medical Center as well as the physicians are providers with your insurance company. Do not forget to ask if you need a referral or pre-authorization. Please verify your testing is covered by giving your insurance company the following procedure codes:**

_____	_____	_____
_____	_____	_____
_____	_____	_____

If you need a referral or pre-authorization, you must present a valid referral or pre-authorization at the time of your appointment. This can be obtained from the referring OB/GYN. **If one is not presented, your appointment will be rescheduled.**

3. Drink 1 glass of water 15 minutes before your appointment and do not empty your bladder. Eating is permitted.
4. You will be permitted to bring one person into the exam room during the evaluation. All other visitors may be invited into the exam room **once the evaluation is completed. Children are not permitted in the exam room during the test, but will be invited into the exam room upon completion of the test.**
5. When you enter the Medical Center through the main entrance, you need to stop at the information desk to obtain a visitor's pass. From the information desk you will proceed to main registration across from the cafeteria. After registering for your appointment, take the "B" elevator to the 4th floor. Exit the elevator, make a left and proceed to room 4213.
6. **Please bring any paperwork your doctor gives you, your prescription, your referral/pre-authorization forms(s) (if necessary), your insurance card, your photo identification and your completed Initial Visit Form. If you do not bring these materials, you will be rescheduled.**
7. Please note videotaping and cell phones are not permitted in patient care areas.

Directions to the Medical Center are enclosed. Parking validation is provided. Valet parking is available. Thank you for your cooperation. Thank you for choosing the Antepartum Testing Center and we look forward to seeing you.
